# HOME EDUCATION REGISTRATION AND HOME EDUCATION SUMMARY AND PROGRAM (HESP) WRITING FORUMS

THEAC is pleased to present three home education forums that will take place across the State in June 2018.

- Meet your local THEAC members, Registration Officers, the Registrar and some of the office staff.
- Receive up-to-date information about the registration process and writing your HESP.
- Meet other home educators in your area.

These forums are for you if you are new to home education, if you are considering whether home education is for you, or if you have been home educating for many years.
