

# Community & Caring (Years 4-6)

Beyond the Classroom is a social action/educational experience of the work and mission of The Salvation Army.

Beyond the Classroom introduces young people to concepts of social justice and lets them know they're part of something bigger and inspires them to get involved.

By developing an appreciation of the world around them, young people learn that whatever they're going through, they are not alone.

<p><b>11:00am to 1:30pm</b> Children are invited to attend The Salvation Army, Derwent Valley Corps on <b>Thursday 11th October</b> to create small care packs for people who are homeless, isolated and/or living in poverty.</p> <p>Lunch will be provided.</p>	
<p>This activity is supported by Derwent Valley Youth Future Action Team (D'FAT) and The Salvation Army – Communities for Children.</p>	
<p>This activity is a Children's University validated learning activity.</p>
