

Tasmanian Home Education Network Summer Gathering

10am – 4pm Saturday 2nd February 2019

At "Kingsholme", 1084 Ellendale Rd, Ellendale (near Mt Field)

Kick off 2019 by connecting with other home educating families in a relaxing bush environment.

The Tasmanian Home Education Network (THEN) invites you to spend the day at Kingsholme, where you will be able to:

- Meet and exchange ideas with other home educators, new and experienced
- Swim and kayak on the dam
- Play volleyball or billiards
- Bring any board games or crafts your kids or teens may wish to do with others in the dining hall
- Picnic or enjoy a meal with others in the dining hall (BYO all food and drink for your family. You can keep food cool by putting it in the fridges in the dining hall)
- Plenty of space for children to ride bikes, so feel free to bring bikes along. There's also play equipment for small children on site.

Cost: \$5 per family for use of the facilities.

Note: This one-day gathering is in place of the 2-night camp previously planned to take place on the same weekend at Kingsholme. For various logistical and personal reasons, this camp has been shortened to a one day event. It should still be loads of fun and a great way to start our home educating year. Look forward to seeing you there.
