

Tasmania
Fire Service

Office of the
Education
Registrar

The Tasmania Fire Service delivers a home fire safety program in Tasmania for primary school aged children.

The Office of the Education Registrar has partnered with the Tasmania Fire Service to assist in the delivery of this program to Home Educating families.

The program has been designed to teach children from the ages 6 to 12 years about basic home fire safety. Lessons and resources are delivered by specially trained firefighters of the Tasmania Fire Service.

The age appropriate program is designed to raise fire awareness in children and includes fun in group activities, videos, activity books, website www.tfseducation.com.au and giveaways.

Key Fire Safety Messages include:

- ◆ Wake up - Install a smoke alarm in every bedroom
- ◆ Plan and practice a home fire escape plan with the whole family
- ◆ In a fire crawl low and go, go, go to the nearest exit
- ◆ In an emergency call triple zero
- ◆ Keep flammable material at least two metres from the heater
- ◆ If your clothes catch fire, stop, drop, rock and roll
- ◆ Keep matches and lighters away from children
- ◆ Cooking - Turn it off before you turn away
- ◆ Cool a burn under cold water for at least 20 minutes
- ◆ Most house fires can be avoided. Make your home fire safe
